700068- Condiments	40	80	120	160	200	5	230

Cases of sorted food are ordered by using approximate lbs.
For example if you want to order 3 cases of 700061 Canned Vegetables:
3 Cases @ 40 lbs each would be approx. 120 lbs. You would enter 120 lbs in your order.

When the cases are pulled for your order the lbs for each case are added to your order.
For example:
Case # 1 of product 700061 = 41.8 lbs.
Case # 2 of product 700061 = 42.6 lbs.
Case # 3 of product 700061 = 39.8 lbs.
Total lbs for 700061 = 124 lbs.

Max Order Limit:
Case limit * average lbs of sorted boxes
+ Some additional weight
... To ensure the Max Order Limit falls within and does not exceed the range of weights for boxes of sorted foods.
