

Food From The Bar is an annual, month-long campaign driven by the legal community to provide nutritious meals to those at risk of hunger in Orange County. The campaign is a partnership between its Steering Committee, Second Harvest Food Bank, and the Orange County Bar Association. Together, we invite Orange County's lawyers and legal professionals to join this important community effort.

Local legal firms and groups partake in friendly competition to raise funds, donate food, and volunteer hours. In our inaugural year, 31 legal groups joined together to provide over 100,000 meals to the community, raising over \$34,000 and volunteering more than 400 hours. We look forward to more growth in 2018!

Today, Orange County is facing a real hunger crisis:

- 315,000 people (10.1%) are at risk of hunger each month.
- 129,000 children (17.9%) are food insecure. Equal to 1 in 6 kids.
- One-third of Orange County neighborhoods are considered financially unstable.

Second Harvest Food Bank of Orange County is the leading provider of hunger relief in Orange County, committed to ending hunger in Orange County. Food From The Bar serves to increase awareness about the hunger problem and provide critical support needed to ensure a solution.
